

Innovative Video Presentations for Learning Creative Entrepreneurship

Newsletter July/August 2018

On 27th July, 2018, the third transnational meeting of the European project IN PLACE took place in Porto, with the Portuguese Innovation Society as host partner.

The objective of the Project is to share good practice among partners in establishment of sustainable and mutually beneficial relations between vocational schools and small and medium enterprises, in the participating countries and transnationally, focused on Work-Based learning opportunities for students.

In this meeting the partners involved from different countries (Bulgaria, Czech Republic, Spain, Italy, Portugal, and the Netherlands) shared the progress of the project:

- Presentation of videos already made by high school students promoting local businesses (six new ones in total).
- Information about schools and high schools (students and teachers) which are collaborating with our project.
- Evaluation, monitoring and fulfilments of the project's aims.
- New strategies of diffusion of the project: creation of Youtube's channel <https://www.youtube.com/channel/UCU1FLU1soDpXx3gDvHN3-Tg>
- Organization training course in Burgh-Haamstede for teachers in October and November, 2018.

The next meeting will take place in Milan in January next year.

You can see the video summary of the meeting in this link:
